Event Announcement
Phoenix, Arizona (Newsbox) 02-Sep-2012
https://prsafe.com/dev/release/11078/

Summary
QA Southwest is hosting a QA and Testing Conference in Phoenix, AZ Oct. 5th and 6th

Message
Come and learn from Keynote speakers Steve Odart, Jon Catlin, Eric Whelpley, and Russell Pannone.   Session cover: Cloud Testing Mobile Testing Functional Automation Performance Automation Agile Test Techniques SaaS Testing   You can network with colleagues from local software companies that can provide answers to your tough questions, as well as experts to provide insight into the industries solutions.   Select the left navigation to see classes, view the brochure, and register while the cost is still low.   The QA Southwest Conference is being held in Phoenix, AZ this year. The conference brings together Quality Assurance Analysts, Testers, Automation Testers, Test Managers, QA Managers, and anyone interested in Software Testing. The Conference covers two days of classes, speeches, and information. This yearâ€™s Theme is â€œSoftware Demolition in the Desertâ€• were we demolish bad software and show all the bugs in it.

""There is currently no QA or Testing Conference in Phoenix, we are the first"" - Founder Bob Small [Pre-Approved Quote]

Who should attend: Anyone and everyone who wants to increase their knowledge, view, and testing skills. We have 5 tracks; Functional Automation Testing, Performance Automation Testing, Agile Testing Techniques, Cloud Testing, and Mobile Testing. What you get: Other than the awesome knowledge and new skillsyou get, SWAG bag, documentation, and videos of the sessions, new contacts, and access to experts in the field.   When is it: October 5th and 6th   Where: Tempe, AZ   How do I get registered: qasouthwest.com
