Message

The Connecticut Real Estate Investors Association, or CT REIA, is announcing its 3-evening property management secrets workshop for real estate investors. This event will take place on September 12, 19, and 27 from 7:00 pm to 9:00 pm. This event will take place at the Comfort Inn, located at 900 East Main Street in Meriden, CT. Discounts for early registration are available for CT REIA members.

Breeze through years of study, hundreds of books, CD's, manuals and courses in just 3 jam-packed evenings. Too often landlords: pick up the rent in person; property owners put up with tenants not paying rent; investors have "undesirables" in their building. This 3-evening workshop will show attendees how to avoid property management headaches. Instead of lowering rents to attract tenants. We'll show you the secret techniques to doing this successfully.

Attendees of this event will learn how to: eliminate maintenance calls in the middle of the night; manage the business in just 4 hours per week; gain the confidence to acquire other buildings; reduce expenses to increase cash flow; reduce vacancy with tenant-paying people; and much more. This workshop comes with a risk-free money back guarantee.

CT REIA is an organization that provides motivation, networking opportunities, and up-to-date education for people who want to buy homes or investment properties. Each month nationally recognized real estate investing trainers hold seminars at CT REIA. Real estate professionals, investors, landlords, property managers, realtors, contractors, wholesalers, rehabbers, and the general public are invited to attend our meetings.
