Patriot Subaru is proud to announce the 2012 Subaru Legacy 2.5i Premium for sale.
Introduction of 2012 Subaru Legacy:
Sometimes, there's a sense of satisfaction in doing things differently than the rest. Like building a Sedan that offers surefooted handling and refined smoothness Invigorating performance with reassuring safety. And thoughtful innovation with long lasting reliability. The balance of these virtues working together harmoniously in the 2012 Subaru Legacy is what delivers the confidence to relish every curve when you chase things that matters most to you. The Subaru Legacy is the company's longest-running nameplate in US. The **2012 Subaru Legacy** is a midsize family sedan. The 2012 Subaru Legacy comes with a standard full-time all-wheel drive and a spacious car comfort. All-wheel drive makes the 2012 Subaru Legacy an excellent choice for anyone who wants a midsize sedan capable of handling the worst weather. So that, 2012 Subaru Legacy is enjoyable to drive through the mountains where winding roads may be dry, wet, icy or covered with snow. This is a sporty and spacious 4 door, 5 passenger Sedan. It features an automatic transmission and a 2.5 liter 4 cylinder engine. Subaru filled the Legacys interior with all the amenities, such as: heated seats, heated mirrors and wiper blades, 16-inch alloy wheels, fog lights, power drivers seat, tinted glass, blue tooth, power windows and locks, remote keyless entry, cruise control, air conditioning, and tilt steering wheel. Subaru kept the safety and security of its passengers in mind with equipment such as: Dual front impact air bags with occupant sensing airbag, overhead air bag, traction control, 4 wheel disc brakes with ABS, panic alarm and a security system.
The 2012 Subaru Legacy provides a smooth ride and respectable handling.
What Experts Have To Say..
So Subaru has created a larger, more competitive-and still fun to drive-Legacy that has a base price lower than that of the current class favorite. Doesn't really sound like much of a sacrifice anymore, does it?
-- Car and Driver
If you're the sort of person who doesn't automatically follow the crowd, the Subaru Legacy is a solid, non-conformist choice.
-- Edmunds.com
No matter which midsize sedan it's challenging, the Legacy now delivers the interior room, refinement, and fuel economy to contend with the segment's mainstream leaders.
-- Motor Trend
Quieter, quicker, more sophisticated, far roomier and more fuel efficient, the Legacy is also something of a bargain...
