News-Press Release

Pointe Claire, Quebec, (Newsbox) 22-May-2023

<https://prsafe.com/release/15626/>

Summary

Future Electronics is hosting a series of Tech Day events in various locations across North America. in Boston on June 13th, 2023

Message

Montreal, Canada (prsafe) May 22, 2023 - Future Electronics, a leading global distributor of electronic components, is hosting a series of Tech Day events in 2023.

The events, hosted by Future Electronics along with key supplier partners, feature new technologies, demos, and keynote presentations.

The theme is Driving Innovation in Connectivity and Intelligent Systems. The events will feature presentations from specialists, the opportunity to learn about new technologies and products, and networking with electronic component suppliers.

The first event of the 2023 tour begins in Boston, Massachusetts on June 13th, 2023.

To learn more and to register for Tech Day 2023, please follow this link: www.FutureElectronics.com/resources/events/tech-days. Stay tuned for the dates and locations of other Future Electronics Tech Day Events this year.
