Summary

Future Electronics has featured the Vishay SIPQ32433 Series eFuse in the latest edition of THE EDGE.

Message

Montreal, Canada (prsafe) July 21, 2023 - Future Electronics, a global leading distributor of electronic components, recently featured the Vishay SIPQ32433 Series eFuse in the latest edition of THE EDGE.

The SIPQ32433A and SIPQ32433B are single-channel eFuses by Vishay, integrating multiple control and protection features to ensure reliable operation in various applications.

The Vishay SIPQ32433 Series eFuse serves as a robust protection solution for both power sources and downstream circuitry, safeguarding against overloads, short circuits, voltage surges, and excessive inrush currents.
