Summary

Future Electronics hosted its inaugural 'Wellness Day' at Corporate headquarters. The event underscored Future Electronics' commitment to fostering a culture of health and happiness in the workplace.

Message

Montreal, Canada (prsafe) March 27, 2024 - Future Electronics, a leading global distributor of electronic components, is proud to announce the successful hosting of its first-ever 'Wellness Day' at Corporate headquarters on Wednesday, March 20, 2024.

The event, which aimed to prioritize the well-being of its employees, showcased a wide array of [resources available to Future Electronics](#) personnel, emphasizing the company's commitment to the holistic health and happiness of its workforce.

Underlining the belief that employees are the most valuable asset of the company, [Future Electronics focused on](#) raising awareness in three crucial areas of wellness: physical health, mental health, and financial stability.

Throughout the day, employees had the opportunity to engage with various resources and service providers, all aimed at enhancing their well-being. From 11:00 am to 2:00 pm, the Cafeteria and Atrium buzzed with activity as representatives from TELUS Health - Employee Assistance Program (EAP), TELUS Virtual Care, Future's Medical Centre, Future's Wellness Ambassadors, Pharmacie Raluca Smarandache, Manulife, and Gerontologis were on hand to offer guidance and answer questions.

[Future Electronics remains dedicated](#) to promoting a culture of well-being and looks forward to hosting more initiatives aimed at supporting the health and happiness of its employees in the future.
