Assonet, MA, June 12, 2024 -- Woodside Dental Care recently announced the addition of Dr. Aliza Hanif DDS to its staff of dental practitioners. Dr. Hanif sees patients Monday through Friday at Woodside Dental Careâ€™s location at 36 South Main Street in Assonet. Â â€œWeâ€™re delighted to have Dr. Hanif join us here at Woodside. She shares our belief in evidence-based, comprehensive dentistry,â€• said Dr. Derek Cornetta, DDS or DMD? â€œBeyond her knowledge and skill, Aliza enjoys connecting with individuals from all walks of life and brings that demeanor to each patient encounter. That provides a comfortable environment and puts the focus on tailoring a treatment plan to each patientâ€™s specific needs.â€• Â Dr. Hanif received her doctorate at the University of New England-College of Dental Medicine in 2021. She also holds a masterâ€™s degree from Duke Universityâ€™s Fuqua School of Business and a bachelorâ€™s degree from Mount Holyoke College. Â â€œI had worked in the non-profit field and private sector before I made the decision to pursue my true passion of dentistry,â€• said Dr. Hanif. â€œIâ€™m grateful to be working with Dr. Cornetta whose approach and values in the practice of dentistry are so well aligned with my own. Heâ€™s put together a tremendous team here and itâ€™s been a very smooth transition.â€• Â Outside of dentistry, Dr. Hanif is an avid golfer and played college, leading her team to the Division III National Championshipsâ€”she also played professionally for a short while. Apart from golf, the Florida native enjoys spending time with her parents in Miami, cooking, hiking, running, and playing tennis from time to time. She also enjoys learning new languages, as she speaks proficient French.
