Summary

Future Electronics has participated in another successful PCIM Europe 2024 in Nuremberg, Germany held June 11-13.

Message

Montreal, Canada (prsafe) June 17, 2024 - Future Electronics, a leading global distributor of electronic components, is pleased to announce its successful participation at PCIM Europe 2024, held from June 11 to 13 in Nuremberg, Germany.

PCIM Europe provided an engaging platform for Future Electronics to showcase its latest innovations, engage with industry peers, and demonstrate its commitment to driving technological advancements in the field of power electronics and energy management.

At PCIM Europe 2024, attendees discovered Future Electronics' comprehensive suite of demos from their many experts in addition to their extensive portfolio of electronic components.

Future Electronics extends its gratitude to all attendees, partners, and organizers for making PCIM Europe 2024 a resounding success.
