Summary

Future Electronics proudly recognizes Juliana Morais for her 25 years of service. From Customer Service in Brazil to her current role as Electronic Commerce Coordinator, Juliana has made a significant impact on both the company and her colleagues.

Message

Montreal, Canada (prsafe) October 23, 2024 - Future Electronics is excited to celebrate the 25th work anniversary of Juliana Morais, Electronic Commerce (EC) Coordinator, MRP. Juliana's journey began in 1999 in Brazil, where she initially worked in Customer Service before transitioning into leadership roles that helped her grow both personally and professionally.

In 2015, Juliana relocated to Montreal as an [Account Executive for Future Electronics](#). Her leadership abilities soon saw her promoted to Team Leader in 2016, and today she serves as EC Coordinator, where she continues to excel.

Reflecting on her milestone, Juliana shared, "It's hard to believe it's been 25 years since I started my journey at Future Electronics... From leading an internal sales team in Brazil to relocating to Montreal as an International Account Executive, each position has presented exciting challenges."

Juliana continued, "I believe that human beings are irreplaceable assets in the business dynamic, and [at Future Electronics](#), it's no different. Technical knowledge remains important, but the ability to manage the expectations of clients and suppliers and, most importantly, to approach situations with empathy is crucial in my daily routine."

[Future Electronics is honored to celebrate](#) Juliana's 25-year journey and looks forward to many more years of her leadership and dedication.

About Future Electronics:

Founded in 1968, Future Electronics is a global leader in the electronic components industry. Future Electronics' award-winning customer service, global supply chain programs and industry-leading engineering design services have made the company a strategic partner of choice.

Headquartered in Montreal, Canada, Future Electronics operates in 159 offices across 44 countries with over 5,000 employees. Its worldwide presence powers the company's outstanding service and efficient, comprehensive global supply chain solutions. Future Electronics is globally integrated and supported by one IT infrastructure which provides real-time inventory availability and enables fully integrated operations, sales and marketing services worldwide. In 2024, Future became a WT Microelectronics company, now dual-headquartered in both Montreal, Canada and Taipei City, Taiwan.

Future Electronics' mission is always to Delight the Customer®. For more information visit www.FutureElectronics.com.
