Summary
Future Electronics proudly celebrates the 25th work anniversary of Peter Britsch, Western Area Regional Sales Manager for Future Lighting Solutions. Peterâ€™s dedication and leadership have made a lasting impact on the companyâ€™s growth and success.

Message
Montreal, Canada (prsafe) October 25, 2024 - Future Electronics is delighted to announce the 25th work anniversary of Peter Britsch, Western Area Regional Sales Manager for Future Lighting Solutions (FLS).

Peter joined Future Electronics in 1999 as a Strategic Account Manager and quickly distinguished himself through his strategic thinking and exceptional client relationships. In 2002, he was promoted to General Sales Manager at the San Jose branch. By 2009, Peter had become the Regional Sales Manager for the Western US and Canada, where he currently oversees Future Lighting Solutions' regional sales operations.

Reflecting on his time at Future Electronics, Peter shared: "My time at Future has been wonderful. The people I work with have a sense of urgency and truly care about their jobs and each other. The company culture has always recognized the people are the true asset of the companyâ€”and treat them accordingly."

Peter graduated with a business degree from the University of California, Santa Barbara, and has been married to his wife for 26 years. They have one son, who graduated from Arizona State University. Outside of working at Future Electronics, Peter enjoys traveling, snow skiing, wakeboarding, and golfing.

Future Electronics extends its heartfelt congratulations to Peter Britsch for reaching this incredible milestone and looks forward to many more years of his leadership and contributions.

About Future Electronics:

Founded in 1968, Future Electronics is a global leader in the electronic components industry. Future Electronics' award-winning customer service, global supply chain programs and industry-leading engineering design services have made the company a strategic partner of choice.

Headquartered in Montreal, Canada, Future Electronics operates in 159 offices across 44 countries with over 5,000 employees. Its worldwide presence powers the company's outstanding service and efficient, comprehensive global supply chain solutions. Future Electronics is globally integrated and supported by one IT infrastructure which provides real-time inventory availability and enables fully integrated operations, sales and marketing services worldwide. In 2024, Future became a WT Microelectronics company, now dual-headquartered in both Montreal, Canada and Taipei City, Taiwan.

Future Electronics' mission is always to Delight the CustomerÂ®. For more information visit www.FutureElectronics.com.
