Summary
Future Electronics proudly celebrates Derek Lucas for 25 years of dedicated service and outstanding contributions to the company.

Message
Montreal, Canada (prsafe) November 29, 2024 - Future Electronics, a global leader in electronics components distribution, is delighted to commemorate the 25th work anniversary of Derek Lucas, an account executive within Future Electronics' Inside Sales Team, whose career has been marked by dedication, professionalism, and excellence.

Derek began his journey with Future Electronics as a Marketing Support Representative. His career path within the company included roles as a Marketer and in TSG, before transitioning to a successful position in Sales. His outstanding work earned him the prestigious title of Infineon Future Electronics Inside Salesman of the Year in 2020, a testament to his skill and commitment.

Reflecting on Derek's contributions, Scott Mawhinney, Sales Director at Future Electronics, shared, "Congratulations to Derek on 25 years of outstanding service to Future Electronics. Derek is a valued member of the Inside Sales team. He comes to work every day with a positive attitude, has great relationship-building skills internally and externally, and provides outstanding service to his customers. Congratulations on this remarkable milestone and many more years of success and growth ahead. Thank you for being such an integral part of our team!"

Outside of work, Derek enjoys a vibrant personal life, playing softball, traveling, and attending live sports events and concerts.

Future Electronics is committed to recognizing the dedication and hard work of its employees, fostering a supportive and rewarding work environment. Derek's 25-year journey is a testament to the company's culture of growth, community, and excellence. Future Electronics congratulates Derek on this significant milestone and looks forward to his continued success.

About Future Electronics:

Founded in 1968, Future Electronics is a global leader in the electronic components industry. Future Electronics' award-winning customer service, global supply chain programs and industry-leading engineering design services have made the company a strategic partner of choice.

Headquartered in Montreal, Canada, Future Electronics operates in 159 offices across 44 countries with over 5,000 employees. Its worldwide presence powers the company's outstanding service and efficient, comprehensive global supply chain solutions. Future Electronics is globally integrated and supported by one IT infrastructure which provides real-time inventory availability and enables fully integrated operations, sales and marketing services worldwide. In 2024, Future became a WT Microelectronics company, now dual-headquartered in both Montreal, Canada and Taipei City, Taiwan.

Future Electronics' mission is always to Delight the CustomerÂ®. For more information visit www.FutureElectronics.com.
