Message

Montreal, Canada (prsafe) April 16, 2025 - Future Electronics, a global leader in electronic components distribution, is thrilled to celebrate the 10-year work anniversary of Juan Jose Maldonado Rodriguez, Program Manager in the Strategic Business Development Unit (SBDU). Since joining Future Electronics in 2015 as a Component Analyst, Juan has demonstrated exceptional leadership, adaptability, and a commitment to excellence, earning a promotion to Program Manager in 2016.

With a strong educational background, including a Bachelor's degree in Industrial Engineering from Universidad Autonoma de Tamaulipas and a Master's degree from Concordia University, Juan brings a wealth of knowledge and expertise to his role. Fluent in Spanish, English, and French, he has successfully managed key projects for various markets and customers across the globe.

"As I reflect on [my time at Future Electronics](#), I am filled with gratitude and pride," said Juan Jose Maldonado Rodriguez.

"Collaborating on diverse projects with clients from around the world has been both challenging and rewarding. At Future Electronics, we are more than just colleagues—we are a close-knit family, always supporting one another."

Juan's journey is a testament to his determination and resilience. From earning a scholarship to study in Canada to becoming a Canadian citizen in 2022, he has achieved many of the dreams he set as a young man. Outside of work, Juan enjoys hiking, camping, and kayaking, as well as volunteering with organizations like Habitat for Humanity and Casa CAFI, where he has helped Canadian communities and new immigrants in need.

[Future Electronics congratulates](#) Juan Jose Maldonado Rodriguez on this remarkable milestone and thanks him for his unwavering commitment to excellence and innovation.
