Introducing HomeHelp.ai â€“ The Smartest Way to Get Home Projects Done

News-Press Release
Baltimore, Maryland (Newsbox) 21-Jul-2025
https://prsafe.com/release/16939/

Summary
AI-Powered Home Concierge Platform Launches to Help Homeowners Save Time, Money, and Avoid Costly Repairs

Message
July 19, 2025 â€“ A smarter, simpler way to tackle home improvement and maintenance has arrived. HomeHelp.ai, the AI-powered home concierge platform, officially launches today to help homeowners take control of their home projects like never before. With intelligent checklists, trusted contractor recommendations, and proactive maintenance reminders, HomeHelp.ai helps users save money, avoid surprise repairs, and get projects done right the first time.
With an average 30% cost savings, 95% project completion rate, and 4.8-star user satisfaction, HomeHelp.ai is redefining what it means to be a modern homeowner.

Key Features:
* AI-Powered Project Checklists: Get step-by-step guidance tailored to your specific project and home type.
* Trusted Local Contractor Connections: Find vetted pros ready to help â€” no more guessing or endless searching.
* Maintenance & Repair Tracking: Stay ahead of costly issues with personalized reminders and insights.
* Easy Onboarding & Free Access: Get started in minutes with a free plan and see real value fast.

Whether you're planning a kitchen remodel or simply trying to stay on top of HVAC maintenance, HomeHelp.ai is designed to simplify every step â€” from planning and hiring to completion and savings.

Availability:
HomeHelp.ai is now live and accepting new users nationwide. Homeowners and contractors can visit www.HomeHelp.ai to sign up or request a demo.
About HomeHelp.ai
