Message

Montreal, Quebec (prsafe) August 24, 2026 - Future Electronics, a global leader in electronic component distribution, is proud to announce that it has been recognized with the Top Tier Sales Performance 2025 Award from Kingbright during the EDS Leadership Summit in Las Vegas, Nevada.

The award was presented by Man Yu of Kingbright and accepted on behalf of Future Electronics by Salvatore Pepe and Domenica Cioffi. The recognition celebrates outstanding sales performance and acknowledges organizations that ranked among Kingbright's highest-performing partners throughout 2025.

As a leading global provider of LED solutions, Kingbright has built a reputation for innovation, quality and reliability over more than four decades. The company's extensive portfolio of visible and invisible spectrum LED products supports customers across a wide range of industries and applications worldwide.

This recognition reflects the strong collaboration between Future Electronics and Kingbright, as well as their shared commitment to delivering innovative solutions and exceptional customer support. Through its global network, technical expertise and customer-focused approach, Future Electronics continues to help customers identify and implement the technologies needed to succeed in rapidly evolving markets.

The award is representative of Future Electronics' dedication to building lasting supplier relationships and driving mutual growth. By combining industry knowledge with a commitment to operational excellence, Future Electronics consistently creates value for both customers and supplier partners around the world.

Presented during the EDS Leadership Summit, one of the electronic components industry's most influential annual events, the award shows the importance of collaboration and partnership within the global electronics ecosystem. The summit brings together manufacturers, distributors and representatives to exchange ideas, strengthen relationships and identify new opportunities for growth.

Future Electronics is honored to receive this recognition from Kingbright and looks forward to continuing its successful partnership while delivering industry-leading solutions to customers worldwide.
