News-Press Release

Norwalk, Connecticut (Newsbox) 20-Jan-2021

<https://prsafe.com/release/13284/>

Summary

JMG, a Norwalk specialty insurance agency, recently released a blog discussing the cost of contractor's insurance. The new article focuses on explaining the factors that affect how much contractors insurance costs on average

Message

Norwalk, Connecticut (prsafe) January 20, 2021 - JMG Insurance, a [Norwalk specialty insurance agency](#), offers readers some valuable information regarding how much [contractors insurance](#) costs. The new article is guided by the insurance experts at JMG who have extensive experience helping clients find the perfectly priced plan for their needs. They have designed this new article to help readers get a better idea of what factors will affect the cost of contractor's insurance the most.

JMG Insurance offers readers some valuable information that explains how to calculate what the cost of contractor's insurance may potentially be. In the article, they explain what contractors insurance is before getting into the things that affect their cost. Some of the factors they go over include the number of employees, the types of contracting jobs, the risks associated with services, and others. They hope that this article will help contractors searching for insurance understand what to expect while also demonstrating the importance of working with experts.

While this new article focuses on explaining how to calculate the cost of contractor's insurance, JMG's website offers visitors more information regarding their team, experience, as well as a full list of service offerings. JMG offers personal, business, and specialty insurance that helps clients get the protection they need at the best possible rate. They offer thorough insurance plans for business owners, contractors, errors and omissions, general liability, group benefits, construction companies, and more. Their agency was built on the principles of providing superior customer service and quality insurance solutions for their clients, and they work hard to uphold these values. Their team strives to make the insurance process as simple as possible for every client.

With the addition of this new article, the team at JMG hopes that contractors will have a better understanding of what factors will affect how much a comprehensive insurance plan will cost. For more information, reach out to the qualified contractor insurance experts at JMG today at 1-844-304-7332 or visit their website at <https://jmg.com/>. Their offices are located at 29 Haviland Street in Norwalk, Connecticut 06854.
