Summary

Future Electronics and its President, Robert Miller, recently recognized Brian Tyndall on the 30th anniversary of his employment with the company.

Message

Montreal, Canada (prsafe) April 8, 2021 - Future Electronics is a global leading distributor of electronic components with corporate headquarters in Montreal, Canada.

[Robert Miller, the company's President](#), recently congratulated employee Brian Tyndall for achieving his 30th anniversary with the company. "I feel extremely fortunate to have been working for Future Electronics for 30 years, and I hope to continue for many, many more," he said. "The company is great, and the people are awesome."

Brian began his [journey at Future Electronics](#) on November 13, 1990 in the company's Communications Department. Two years later, he moved to Branch Coordination, where he handled quotes and purchase orders for Germany, the UK and North America, adding Hong Kong and Taiwan to his responsibilities in 1993.

From 1994 to 1999, Brian worked in Product Marketing, first as an Expeditor and then as an Asset Manager. In April 1999 he joined the Marketing Operations group, and then the Sales team in 2001, where he assumed the role of Contract Administrator for Military customers. Since 2004, Brian has worked as an Account Executive for various divisions with a focus on government procurement, adding Tariffs and Inventory Analyst responsibilities in 2020.

"Hard work and dedication have definitely paid off for me at Future Electronics," he said. "Being able to help support my family and watch my kids grow up in the beautiful Pointe Claire area makes me feel very lucky."

[Founder and President Robert Miller](#) believes that Future Electronics' employees are its greatest asset. The company values the commitment of its people, and milestone anniversaries are recognized with personalized cards, plaques, vouchers, and other gifts.

About Future Electronics
