Summary

Future Electronics is offering one-on-one sessions with a Manulife Financial Advisor to all their head office employees in January and February 2022.

Message

Montreal, Canada (prsafe) January 25, 2022 - Future Electronics, a global leading distributor of electronic components, will offer one-on-one sessions with a Manulife Financial Advisor on January 25, 26 and 27 and February 1, 2 and 3, 2022 for employees at their Montreal headquarters.

Financial advice can help during good economic times, but it becomes even more important during periods of uncertainty.

Future Electronics, in collaboration with Manulife, is offering employees the opportunity to have their financial questions answered and to get more information about the company's Group Retirement Program.

Employees who sign up will be able to schedule a 45-minute one-on-one session with a Manulife PlanRight® Advisor who will answer their questions through MS Teams.

The sessions will be offered in both French and English, and they are open to all Montreal-based employees of Future Electronics and Future Lighting Solutions.
