Summary

Future Electronics is featuring Panasonic's TB Series of automotive relays.

Message

Montreal, Canada (prsafe) August 26, 2022 - Future Electronics, a global leading distributor of electronic components, has showcased the TB Series of automotive relays by Panasonic in the latest edition of their Transportation newsletter.

Panasonic's TB Series Automotive Relays - the ACTB2CR2A60 and ACTB3C2A52 - are renowned in the automotive world for their quality, reliability and versatility with more than 20 years of design in placement.

For use in a wide range of applications, Panasonic TB Series relays are available in a variety of contact arrangements including 1 Form A, 1 Form C, and twin type 1 Form C x 2 (8 Pins) and 1 Form C x 2 (10 Pins) construction type options.
