Summary

Asia Metaverse Festival (AMF) 2022 is kicking off Asia Crypto Week 26 - 30 September, the most exciting week in the crypto and blockchain industries in the Singapore city state.

Message

Singapore, Sep 24, 2022 -- Asia Metaverse Festival (AMF) 2022 is kicking off Asia Crypto Week 26 - 30 September, the most exciting week in the crypto and blockchain industries in the Singapore city state. The premiering event showcases the future of technology in Singapore, Asia Pacific, and around the World, focusing on the latest developments in gaming, metaverse, NFTs, digital assets, payments and more in the Web3 ecosystem. With a Business-To-Business-To-Customer (B2B2C) approach, AMF caters to sponsors and investors in the Web3 market segments who wish to mark their presence in Singapore and the APAC region. The festival is organized by Asia Blockchain Association (ABA), a non-profit CLG organization that focuses on membership platforms in the field of blockchain technologies and provides support in charitable and humanitarian work. Festival Focus The debut edition will focus on the rapidly developing phenomena of NFT, DeFi, GameFi, and Metaverse, and immersive technologies in Web 3 finance and other technology spaces. As a blockchain event with industry heavy weights, AMF is supported by the various governmental communities. Asia Metaverse Festival is co-organized by Walleton, a Singapore Government Business (GEBIZ) CAT 7 Service Provider with Tender Eligibility of S\$5,000,000. During the Singapore 50 Jubilee Year Celebration, Walleton received a special commission from the Ministry of Culture, Community, & Youth to manage the "SG50 Times of Our Life" Festival.
