

Future Electronics Showcases Infineon StrongIRFETâ„¢ 2 Power MOSFETs, Delivering Increased Performance

News-Press Release

Pointe Claire, Quebec, (Newsbox) 07-Dec-2022

<https://prsafe.com/release/14992/>

Summary

Future Electronics is featuring Infineon's StrongIRFETâ„¢ 2 Power MOSFETs in the latest edition of THE EDGE.

Message

Montreal, Canada (prsafe) December 7, 2022 - Future Electronics, a global leading distributor of electronic components, is helping customers find the right-fit power MOSFET for their application with a newsletter feature on Infineon's StrongIRFETâ„¢ 2 series.

Infineon's StrongIRFETâ„¢ 2 power MOSFET in 60 V addresses a broad range of applications from low to high-switching frequency. The MOSFETs offers higher power efficiency for improved overall system performance.

To learn more about StrongIRFETâ„¢ 2, visit

www.futureelectronics.com/resources/featured-products/infineon-strongirfet-2-power-mosfets. To see the entire portfolio of products available through Future Electronics, visit www.FutureElectronics.com.

THE EDGE is the latest e-newsletter from Future Electronics, and is geared toward engineers and buyers looking for new or leading-edge products. THE EDGE comes out twice per month, and each edition features product information, datasheets and videos showcasing the most advanced new technology in a specific area, such as sensing, lighting, or automotive.

Visit www.FutureElectronics.com/subscribe to receive the latest issues of THE EDGE newsletter, and stay up to date with the newest technologies.

About Future Electronics

Future Electronics is a global leader in electronics distribution, recognized for providing customers with global supply chain solutions, custom-tailored engineering services and a very extensive variety of electronic components. Founded by Robert G. Miller in 1968, Future Electronics believes its 5500 employees are its greatest asset, with 170 offices in 44 countries. Future Electronics is globally integrated, with a unified IT infrastructure that delivers real-time inventory availability and access to customers. With the highest level of service, the most advanced engineering capabilities, and the largest available-to-sell inventory in the world, Future's mission is always to Delight the Customer®.
