Summary

Robert Miller, President of Future Electronics, praised his employees following their successful Holiday Book Fair for charity at the company's global headquarters in Montreal, Canada.

Message

Montreal, Canada (prsafe) January 11, 2023 - Future Electronics, a global leading distributor of electronic components, successfully completed this year's charity Book Fair on Friday, December 16, 2022 at the company's global headquarters in Montreal, Canada.

[Robert Miller, President of Future](#) Electronics, thanked everyone who contributed to the success of this year's Book Fair.

The employee Book Fair is part of [Future Electronics' annual Spirit](#) of the Holidays campaign, a series of charitable events which raise money to benefit local community groups.

Employees participated by donating second-hand books and magazines of every kind for the Book Fair, with all cash and electronic payments collected from sales then donated to the West Island Mission.

Future Electronics was [founded by Robert Miller in](#) 1968. To learn more about the company's community initiatives, visit www.FutureElectronics.com.
