

Bulgin Recognized by Future Electronics for Their Wide Range of Environment-Friendly Connectors

News-Press Release

Pointe Claire, Quebec, (Newsbox) 07-Feb-2023

<https://prsafe.com/release/15170/>

Summary

Future Electronics has launched a campaign featuring Bulgin's selection of environment-friendly circular connectors.

Message

Montreal, Canada (prsafe) February 7, 2023 - Future Electronics, a global leading distributor of electronic components, is featuring Bulgin's line of environment-friendly circular connectors for multiple key end applications.

Bulgin specializes in environmentally sealed circular connectors designed to provide a secure and reliable connection in harsh environments where traditional connectors may fail. They are commonly used in industries such as marine, industrial, and outdoor lighting.
