

# **Future Electronics Launches Online Offer on TE Connectivity Connectors & More Available Inventory**

News-Press Release

Pointe Claire, Quebec, (Newsbox) 28-Feb-2023

<https://prsafe.com/release/15237/>

## **Summary**

Future Electronics has launched an online promotion on a vast available-to-sell selection of TE Connectivity connectors and more.

## **Message**

Montreal, QC (prsafe ) February 28, 2023 - Future Electronics, a global leading distributor of electronic components is offering 15% off their readily available TE Connectivity inventory of connectors and more.

The company boasts an industry-leading selection of connectors, including pin & socket, D-sub, backplane and more key components that are important to many new designs.

Future Electronics' stock reliability has long been a staple of the company. For this reason, customers turn to their trusted partner to find the parts they need when they need them. With deals and promotions like this being a rare occasion in the industry, this becomes the best time for customers to stock up on discrete semiconductors.
