Flemington, New Jersey – SHOUT! Digital Marketing Solutions hosted Cub Scout Pack #1980 on August 16, 2012 at their showroom at 67 Route 31 South in Flemington, New Jersey. The fourth and fifth grade Webelos are from Readington Township, New Jersey.

There are twenty different activity badges that Webelos Scouts can earn. To earn the highest award in Cub Scouts, the Arrow of Light Award, Webelos Scouts must earn eight activity badges. These Webelos Scouts began working on their Artist Activity Badge by visiting SHOUT! to talk to a local graphic artist about the different occupations in the art field. “Our scouts enjoyed seeing the design applied to the van and the posters being printed and hopefully learned something about graphic arts, too! Giving the boys each a personalized poster was really a special gift and helped to create a special memory for them,” says Cindy Barckholtz, Assistant Webelos den leader.
