

Future Electronics Announces Latest Tech Day Event in Massachusetts

News-Press Release

Pointe Claire, Quebec, (Newsbox) 24-Apr-2024

<https://prsafe.com/release/16326/>

Summary

Future Electronics and Renesas will host an exciting Tech Day event in Waltham, Massachusetts on May 1st, 2024.

Message

Montreal, Canada (prsafe) April 24, 2024 - Future Electronics, a leading global distributor of electronic components, and Renesas, a premier supplier of advanced semiconductor solutions, are pleased to announce the joint venture "Renesas Tech Day: Scalable AI Solutions for the Edge."

The event will take place at the Embassy Suites in Waltham on May 1, 2024, from 8:00 AM to 5:00 PM.

Tech Day promises to be an immersive experience, offering in-depth explorations into the benefits of artificial intelligence (AI), live showcases of cutting-edge AI applications, and expert dialogues. Attendees will gain practical knowledge of Renesas' newest AI-driven products and solutions, specifically tailored to make daily operations more efficient and effective.

Featured Topics include Cost-effective AI Solutions, Arm® Cortex®-M85, Power-efficient Processors for Vision AI, and Emerging Wi-Fi Standards.

To register for this exciting event and to access additional information, please visit <https://info.renesas.com/boston-tech-day-2024>.
