<https://prsafefirm.com/release/13545/>

Summary

HR Search & Rescue, a Fairfax independent HR consulting firm, recently released a blog explaining how to deal with gaslighting at work. The new article focuses on explaining the details of workplace gaslighting and what signs to watch out for.

Message

Fairfax, Virginia (prsafefirm) June 12, 2021 - HR Search & Rescue has recently released a new educational resource that focuses on explaining [the details of gaslighting and how to deal with this type of behavior](#). The new article is guided by the independent HR consulting experts at HR Search & Rescue who have extensive experience helping clients better understand [workplace gaslighting issues](#) and how to most efficiently solve them along with other complex workplace challenges. They hope that this new article will help readers get a better understanding of how to detect gaslighting and the best ways to approach and deal with this negative behavior.

HR Search & Rescue offers readers some valuable information that helps to explain the issue of gaslighting in the workplace. In the article, they begin by explaining the signs of gaslighting in the workplace which include denying promises that were made, overreacting to criticism, deflecting, and more. They then go on to explain how to handle gaslighting at work by providing some helpful pieces of advice including trusting your intuition, identifying gaslighting patterns, documenting situations as they occur, and seeking advice from a trusted friend or colleague. Their team hopes that this information will help those dealing with this critical issue understand what is happening and also provide some positive steps to begin to take.

While this new article focuses on explaining how to deal with gaslighting at work, HR Search & Rescue's website provides readers with more information regarding their team, experience, as well as a full list of service offerings. HR Search & Rescue offers HR consulting services that deal with employee issues such as bullying, gossip, fair treatment, microaggressions, personal conflicts, toxic work environments, and more. Their team of dedicated professionals understands that the modern workplace is full of unique challenges that employees and business owners may not understand how to solve. Their team offers 1-on-1 meetings to discuss workplace challenges and issue guidance on how to manage and/or resolve these crucial situations.

With the addition of this new article, the team at HR Search & Rescue hopes that readers will have a better understanding of how to handle gaslighting in the workplace. For more information, contact the HR experts at HR Search & Rescue today at (844) 934-3293 or visit their website at <https://hrsearchandrescue.com/>. Their offices are located at 4023 Chain Bridge Road in Fairfax, VA 22030.
