South Coast Improvement, Co. Enters Mississippi Senior Living Market with Renovation Project at Pegasus Ridgeland Place in Ridgeland, MS

Message

Ridgeland, MS and Marion, MA, November 19, 2021 -- South Coast Improvement Company, a design-build general contractor serving states in the eastern region of the United States from the Mississippi River to the Atlantic Ocean, recently won a \$1.3 million contract for a renovation project at the Pegasus Ridgeland Place, a Pegasus Senior Living assisted living community with memory care services located at 410 Orchard Park, Ridgeland, MS. The renovation represents South Coast Improvement Company's first project in the state of Mississippi. The Marion, Mass.-based South Coast Improvement Company began the renovation October 2021 and will complete work in late spring 2022. "We are thrilled to win our first project in the state of Mississippi and even more thrilled to work with a company of the quality and stature of Pegasus Senior Living," said Tom Quinlan, president of South Coast Improvement Company. "South Coast has a longstanding and well-earned reputation up and down the east coast for successful renovation projects in occupied assisted living facilities" particularly those with memory care units. We look forward to showing our mettle on this project as we introduce another region of the country to the South Coast way. The 26-week renovation features: Exterior building upgrades including but not limited to new windows, fascia/soffits, concrete repairs, fences/gates, new storage shed, exterior kitchen and landscaping; eleven resident room finish upgrades (paint, carpet, millwork, plumbing/electric fixtures and appliances; modernization of building elevators and the replacement of 30 resident AC units; and selective interior building renovations ranging from new flooring (carpet & LVT) and ACT ceilings to paint and upgrades to the commercial kitchen. Additionally, the renovation will include a new roof, five-ton supplemental cooling system and replacement of RTU's, boiler and building generator system. The architect for the renovation is MCG Architecture. Pegasus Senior Living manages dozens of communities across the United States, each firmly rooted in its local geography, empowered to provide customized attention and committed to the individual well-being of its residents.
