Summary

Future Electronics celebrates long-term employee Scott Harkin's 30 years of service with the company.

Message

Philadelphia, Pennsylvania (prsafe) November 28, 2023 - Future Electronics, a leading global distributor of electronic components, recently recognized Scott Harkin for his 30 years of service with the company.

[Scott joined Future Electronics](#) in March 1993 as a Product Specialist for Analog Products. He then worked as a Product Manager for two years, a Supplier Development Manager for five years, a General Manager for Strategic Corporate Accounts for six years and has held the position of Global Account Manager for the past 17 years.

Scott is extremely proud of his 17 years as a Global Account Manager (GAM) and the significant sales growth the company has seen during his time in this role.

"It's been a real pleasure and a great challenge [working at Future Electronics](#). I have been very fortunate to be able to travel all over the world in my role as GAM, likely to places I would not have ventured on my own. My role as GAM has allowed me to grow personally and professionally and allowed me to meet many interesting people from all over the world. Many of these friendships will last a lifetime," says Scott.

In his downtime, Scott enjoys travelling and playing golf. He has a BBA from St Francis Xavier University in Antigonish, Nova Scotia.

[Future Electronics is proud of](#) all that Scott has contributed to the company over the past 30 years. The company celebrates as yet another employee reaches this incredible service milestone. Future Electronics is delighted to be an employer of choice, and one worth dedicating so many years to.

About Future Electronics
