Future Electronics Highlights Samsung Electro-Mechanics MLCC Portfolio in Transportation Newsletter

News-Press Release Pointe Claire, Quebec, (Newsbox) 22-Dec-2022 https://prsafe.com/release/15057/

Summary

Future Electronics is featuring Samsung Electro-Mechanics MLCC products.

Message

Montreal, Canada (prsafe) December 22, 2022 - Future Electronics, a global leading distributor of electronic components, has featured Samsung Electro-Mechanics MLCC solutions in the latest edition of their Transportation newsletter.

The Samsung Electro-Mechanics MLCC portfolio covers a broad spectrum of applications with everything from safety to infotainment. The brand's seal ensures exceptional electrical qualities and high credibility. Samsung Electro-Mechanics innovation implements a soft termination technology with a special design to absorb and endure physical stress, preventing possibilities of short circuits.
